

OXFORD SUMMIT OF LEADERS 2018

Lifelong Learning and one step ahead Business.

The necessity to move with the times

The Annual Summing up Meeting of the Academic Union and the Global Club of Leaders Members, Honourable Professors, Rectors of regional Universities and Educational management professionals.

18-19 December 2018,
Oxford Town Hall, UK

Oxford Town Hall is awaiting the grand-scale networking event and magnificent Socrates Award Ceremony that marks the beginning of the Christmas and New Year holidays!

To visit Oxford during the pre-Christmas time is a great occasion to discuss topics of interest regarding modern educational systems, innovations in the science sphere and strategic visions of modern business growth.

We will provide the speakers, academics and business executives with discussion sections for fruitful dialogue on the subject of the educational sphere's improvement and methods of profitable entrepreneurship.

For the first time we are going to launch a **LIVE BROADCAST** of the Summit's sessions and Socrates Award Ceremony to make the event even more open and borderless!

In the Summit's context we also welcome the holding of the 'Oxford Debate', really special discussion platform for experts, 'heavyweights' and regional leaders of the educational services market. 'How do you see the University of Future?' – we would like to get your opinion on it.

In the meantime the express exhibition 'Science and Education' may become an excellent opportunity to present advertising materials and associated products of your company or institution.

During the sessions we intend to speak about:

Mrs. Marianna Dipiloane Monyadiwa Phutsisi, Principal, Motheo TVET College, South Africa;
Prof. Garba Dahuwa Azare, Director General and Chief Executive, National Teachers’ Institute, Nigeria

- **Breakout Topic - Education and Business alliance**

Nowadays more and more universities are ready for initiative contacts, comprehensive partnership and joint projects with the other higher education institutions around the world. Of course, universities must cooperate, not compete.

But what do you think about strategic partnerships with the business environment? We intend to speak about the balance of mutual benefits.

Speakers:

Prof. Nanjid Gombojav, President, Mandakh University, Mongolia;

Mr. Sergey Pozyabin, Assistant Rector for International Affairs, Moscow state academy of veterinary medicine and biotechnology named after K.I. Skryabin, Russia

- **Breakout Topic - New IT and online paradigm at Educational institutions.**

Studying new IT plans to manage universities and online courses (MOOC and others) to attract learners.
