Corrigendum to the 2018 Erasmus+ Programme Guide

Version 1 (2017): 15/12/2017
This Corrigendum comprises three parts:

- Content changes related to the transitional period towards the approval of the European Solidarity Corps legislative proposal.
- Modification in the submission deadlines for Youth actions Round 1
- Other changes to the 2018 Programme Guide

All the changes above are reflected in the version 2 of the 2018 Erasmus+ Programme Guide, available on the Erasmus+ website of the European Commission.
1. Changes Related to Erasmus+ Volunteering activities

Based on the current state of play of the negotiations of the dedicated legal instrument for the European Solidarity Corps, the European Commission is putting in place transitional measures to extend the support of Erasmus+ for European Solidarity Corps volunteering activities under the first two application deadlines of the 2018 Call.

The following changes under the section “Erasmus+ volunteering activities” in the 2018 Erasmus+ Programme Guide, in comparison with version 1 of the Programme Guide, published on 25th October 2017, respond to these transitional measures.

Subject to having the European Solidarity Corps legal basis adopted in view of Round 3 (October deadline), volunteering activities between Erasmus+ Programme Countries which are EU Member States will be supported by the European Solidarity Corps in the form of “volunteering placements”. The rules and conditions for these activities will be described in a dedicated Programme Guide/European Solidarity Corps Call for Proposals.

Applicants are advised to contact their respective National Agencies for further information on the status of the negotiations and the consequent impact on the respective Calls.

MOBILITY PROJECT FOR YOUNG PEOPLE AND YOUTH WORKERS:

Two types of projects can be supported under this Action:

- Mobility projects that can comprise of Youth Exchanges and/or Youth Workers activities.

- Mobility projects that can comprise of one or more volunteering activities. Further to the Commission Communication “Investing in Europe’s youth” (December 2017), launching the European Solidarity Corps, the Erasmus+ Programme covers, as from 2018, the two following activity types in the area of volunteering:
  - “Erasmus+ volunteering activities”, based on cooperation between organisations from EU Member States and non-EU Erasmus+ Programme Countries,
  - “Erasmus+ volunteering activities”, based on cooperation between

A new paragraph has been added:

ERASMUS+ CONTRIBUTION TO THE EUROPEAN SOLIDARITY CORPS INITIATIVE

In order to strengthen the cohesion and foster the solidarity in European society, a European Solidarity Corps has been set up by the European Commission¹ to create a community of young people willing to engage in a wide range of solidarity activities, either by volunteering or gaining occupational experience in helping to resolve challenging situations across the European Union and beyond.

In its initial phase, the European Solidarity Corps builds on the currently existing EU Programmes. One of the principal funding schemes contributing to the European Solidarity Corps is the Erasmus+ Programme through its volunteering activities between Programme Countries. The European Solidarity Corps will thus give impetus and greater visibility to Erasmus+, while putting volunteering at European level within a larger framework and adding further volunteering opportunities.

ANNEX I, MOBILITY PROJECTS FOR YOUNG PEOPLE AND YOUTH WORKERS - CONDITIONS OF PARTICIPATION OF VOLUNTEERS – SELECTION

A new paragraph has been added:

The selection of volunteers can be carried out by any of the organisations involved in the project (usually this task is carried out by the sending or coordinating organisation).

The Erasmus+ Volunteering activities are open to all young people, including people with fewer opportunities. Volunteers are to be selected in a fair, transparent and objective way, regardless of their ethnic group, religion, sexual orientation, political opinion, etc. No previous qualifications, educational level, specific experience or language knowledge should be required. A more specific profile of the volunteer might be drawn up if justified by the nature of the tasks of the activity or by the project context.

In the case of volunteering activities within Programme Countries, organisations must carry out the selection of the volunteers among the pool of young people registered in the European Solidarity Corps. An online tool called PASS enables organisations to search and contact those young people. Organisations holding either an Erasmus+ volunteering accreditation or a European Solidarity Corps Quality Label have automatic access to the tool7 along with their access to the European Youth Portal's volunteering database.

The selection process should be always in compliance with the principles and quality standards of the Erasmus+ Volunteering activities.

**What else should you know about this Action?**

**Participants in mobility activities between Programme Countries**

Applicants of mobility projects will be allowed to claim financial support for travel costs of participants under the budget heading "exceptional costs" (up to a maximum of 80% of total eligible costs: see "What are the funding rules?"). This would be allowed provided that applicants can justify that the standard funding rules (based on contribution to unit costs per travel distance band) do not cover at least 70% of the travel costs of participants.
3.2 Strategic Partnerships

FUNDING RULES FOR TRANSNATIONAL LEARNING, TEACHING AND TRAINING ACTIVITIES CARRIED OUT WITHIN THE STRATEGIC PARTNERSHIP (OPTIONAL FUNDING):

Travel - Rule of allocation: Conditional: applicants will have to justify that mobility activities are necessary to achieve the objectives and results of the project. Travel distances must be calculated using the distance calculator supported by the European Commission. The applicant must indicate the distance of a one-way travel to calculate the amount of the EU grant that will support the round trip. The applicant must justify in the application form the request of funding covering expensive domestic travel costs over 225 EUR (per return trip).

3.3 Capacity Building in the field of youth

Page 172
